05 March 2014

In preparation for the next release of the 2014 Ten-Year Network Development Plan (TYNDP) and the Regional Investment Plans, ENTSO-E is holding in the Continental South West Region an open workshop with stakeholders on 25 March 2014, focused on the 2030 visions “slow progress” and “green revolution” market & network studies outcomes and TYNDP projects assessment (Cost-Benefit Analysis methodology).

The aim of this workshop is to introduce and discuss with our stakeholders including the top-officers of national ministries in charge of the energy sector and National Regulatory Authorities the TYNDP and Regional Investment Plans process and the assessment of regional projects of pan-European relevance:

- ENTSO-E TYNDP- new role under the Regulation (EU) 347/2013, assessment of candidate PCIs,
- TYNDP projects assessment with the Cost benefit analysis (CBA) methodology
- 3rd party transmission and storage projects in the TYNDP
- TYNDP process & scenarios (2030 visions)
- Regional Market and Network Studies outcomes
- Project assessments outcomes

Stakeholders are kindly requested to register for the workshop via email, by indicating their full names, contact details and organization to Mrs. Thanh-Thanh Le Thi (thanh-thanh.lethi@entsoe.eu) and Mrs. Alexandra Castelo-Branco (comunicacao@ren.pt), **before 15th March 2014.**
