SUPPLEMENT TO CALL NOTICE FOR THE SHAREHOLDERS’ GENERAL MEETING AND PRESENTATION OF PROPOSED RESOLUTIONS

In accordance with the provisions of Article 519 of the Spanish Companies Act, shareholders representing at least three percent of the share capital are informed that they may request the publication of a supplement to the call notice for the Shareholders’ Annual General Meeting, including one or more items on the Agenda, provided that the new items are accompanied by a justification or, as the case may be, a justified proposed resolution. This right must be exercised by serving duly authenticated notice on the Company which must be received at the registered office, Paseo del Conde de los Gaitanes, 177, 28109 Alcobendas, Madrid, within five days after the publication of the call notice. The supplement to the call notice must be published at least fifteen days prior to the date set for holding the General Meeting.

Shareholders representing at least three percent of the share capital may submit reasoned proposals for resolutions on items already included or to be included in the

Agenda for the General Meeting called. Moreover, they may make suggestions regarding those activities and interests of the Company that they believe should be discussed at the General Meeting. In both cases they will be entitled to make these proposals and suggestions by serving duly authenticated notice on the Company which must be received at the registered office, Paseo del Conde de los Gaitanes, 117, 28109 Alcobendas, Madrid, or via the Shareholder Information Office (the details of which are published at the end of this announcement in the "General Information" section) within five days as of the publication of this call.

RIGHT TO ATTEND, RIGHT TO VOTE AND RIGHT OF REPRESENTATION

According to the Corporate Articles of Association, the Regulations of the Shareholders' General Meeting and the Spanish Companies Act, shareholders may attend the General Meeting if they prove their share ownership by means of a certificate issued in their name on the accounting record of book entries five days before the date on which the General Meeting is to be held. Shareholders may request, through any of the member institutions (banks, savings banks, financial institutions, in general) of Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A., Unipersonal (Iberclear), the appropriate certificate of entitlement or equivalent document from the accounting record of book entries of the Company's securities in order to obtain, as the case may be, the relevant attendance card.

Shareholders who are entitled to attend may cast their vote by attending the General Meeting and casting their vote in person, or by postal or electronic correspondence or by any other means of remote communication, provided that the identity of the individual exercising his right to vote and the security of the electronic communications are duly guaranteed, in accordance with the provisions of the applicable legislation, as well as of the Corporate Articles of Association, the Regulations of the Shareholders' General Meeting and all such supplementary rules and rules implementing the aforementioned Regulations as may be approved by the Board of Directors.

In accordance with the provisions of the Electricity Sector Act and Article 5 of the Company's Articles of Association, no shareholder may exercise voting rights exceeding three percent of the share capital. Parties that engage in activities in the electricity industry, and individuals or legal entities that directly or indirectly hold more than five percent of the capital of such parties, may not exercise voting rights exceeding one percent of the share capital. The above limits will not apply to Sociedad Estatal de Participaciones Industriales (SEPI), according to the Electricity Sector Act.

Shareholders who are entitled to attend may be represented at the General Meeting by another person, even where such person is not a shareholder. Where instructions are issued by the represented shareholder, the proxy-holder shall cast his vote in accordance with such instructions and shall be obliged to keep the instructions for a period of one year as from the date of the General Meeting.

Representation will be conferred in writing and the proxy clause on the attendance cards issued specifically for this Shareholders' General Meeting by the Iberclear participant entities or by the Company, if applicable, may be used.

The appointment and revocation of the proxy-holder may also be made by means of postal or electronic correspondence or by any other means of remote communication, provided that the identity of the individual granting the proxy and the security of the electronic communications is duly guaranteed, pursuant to the provisions of the

applicable legislation and subject, if appropriate, to the provisions of Article 17 bis of the Company's Articles of Association and Article 15.8 of the Regulations of the Shareholders' General Meeting on the casting of votes by the aforesaid means, insofar as this is not incompatible with the nature of the proxy granted.

The same means as provided in the preceding paragraph may be used to notify the Company of the appointment of the proxy-holder and of the revocation of the appointment.

Personal attendance at the General Meeting by the shareholder represented shall revoke any vote or proxy cast or granted beforehand, both inclusive.

Proxy-holders may hold the proxies of more than one shareholder with no limit on the number of shareholders they may represent. Where a proxy-holder holds several proxies, he may cast votes in different directions, in accordance with the instructions received from each shareholder. Prior to his appointment, the proxy-holder must provide detailed information to the shareholder on whether he has any conflict of interest, in accordance with the provisions of Article 523 of the Spanish Companies Act. If the conflict arises after his appointment and the proxy-holder has not warned the represented shareholder of its potential existence, he must inform the shareholder immediately. In both cases, if no new specific voting instructions have been received for each of the items on which the proxy-holder is to vote in the name of the shareholder, the proxy-holder must refrain from casting the vote.

Where a public proxy solicitation is made, the director obtaining it may not exercise the right to vote attaching to the shares represented on those items on the Agenda in respect of which he has a conflict of interest unless he has received specific voting instructions from the represented shareholder for each item.

The proxy may include items which, while not included on the Agenda, may be addressed as permitted by Law, and the provisions on conflict of interests contained in the preceding paragraphs will also apply in these cases.

In accordance with the provisions of Article 524 of the Spanish Companies Act, any entities that hold shareholder status by virtue of the share accounting register, but which act on account of several persons, may in any case fraction their vote and cast their vote in a different direction, further to different voting instructions, if received as such. Said financial intermediaries may delegate the vote to each indirect holder or third party designated by the same, without there being any limit on the number of proxies granted.

No person may accumulate proxies in the name of the same shareholder which confer on him voting rights in the name of that shareholder that exceed the limits established in Article 5 of the Articles of Association and pursuant to the Electricity Sector Act.

PROCEDURE FOR PROXIES, VOTING AND INFORMATION BY REMOTE MEANS

1. PROXIES AND VOTING BY REMOTE MEANS

1.1. Proxies by remote means

The means of remote communication that are valid for granting proxies at the Shareholders' General Meeting are: (i) electronic and (ii) delivery or postal correspondence.

1.1.1. Electronic means

Shareholders wishing to use the electronic proxy must be in possession of an electronic national identity card or of an electronic user certificate issued by the Spanish Royal Mint (FNMT-RCM), in accordance with Electronic Signature Act 59/2003, in its capacity as a Certificate Services Provider.

The user certificate will be obtained by the shareholder, at no cost to the Company, and must be in force when the proxy is granted.

Shareholders who have an electronic national identity card or user certificate evidencing their identity may, through the remote proxies, voting and information service available in the section provided for such purpose on the Company's website (www.ree.es), grant the proxy by completing the "proxy form" according to the instructions indicated on such form, as well as any others that may be specified on each of the relevant screens of the computer application, and must effect the electronic signature by using their electronic national identity card or user certificate.

To be effective and valid, the electronic proxy must be granted after **zero hours (00:00) on 6 March 2019** and must be received by the Company **before twenty-four hours (24:00) on the day immediately preceding the day on which the Shareholders' General Meeting is scheduled to be held on first call**, that is, **before twenty-four hours (24:00) on 20 March 2019**. Proxies received outside this period will be deemed not granted.

For these purposes, the Company will implement an electronic date system, through a third party and based on an objective time source (a *time stamping* system) to evidence the time of receipt of the electronic proxy, as well, as the case may be, of the acceptance or rejection of such proxy.

The reason for establishing the above-mentioned period is to enable the Company to verify the shareholder status of the person granting the proxy electronically and that the number of shares corresponding to the proxy granted is correct; for such purpose, the Company will check the information furnished by each shareholder against that which is furnished to it by sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A., Unipersonal (IBERCLEAR), in its capacity as the entity in charge of the accounting register of book entries representing the Company's shares.

Shareholders who grant a proxy electronically must notify the designated proxy-holder of the proxy granted. Where the proxy is granted to a director, the notice will be deemed served when the Company receives the electronic proxy.

To be effective and valid, electronic proxies must be accepted by each proxy-holder, for which purpose they must be printed, signed and presented by the designated proxy-holder in each case to the Company personnel in charge of the share register, **up to the time scheduled for the Shareholders' General Meeting, on first or second call**, as the case may be, with the exception of those granted to a director, which will be deemed accepted once they are received by the Company.

Electronic proxies that meet all of the conditions established in this procedure and are granted and received by the Company within the time period established for such purpose will only be deemed valid once the shareholder status of the person granting the proxy is verified.

1.1.2. Delivery or postal correspondence

Shareholders wishing to use this form of proxy must complete and sign the "proxy" section of the attendance, proxy and voting card issued by the relevant depositaries of their shares or by the Company through the mechanism established for such purpose on its website in the section on proxies, voting and information by remote means.

Proxies must be accepted by the proxy-holder, therefore, unless they are granted in favour of a director, they must be signed by each proxy-holder to indicate acceptance; the person to whom the vote is delegated may only cast it by attending the Shareholders' General Meeting in person.

The relevant card, duly completed and signed, must be sent by postal correspondence to the registered office of the Company or through the shareholder information service.

In addition, the proxy card, duly completed and signed, may also be submitted by the proxy-holder who physically attends the General Meeting, to the personnel in charge of the shareholder register on the day and at the venue of the General Meeting, **up to the time scheduled for the start of the Shareholders' General Meeting, on first and second call, as the case may be.**

1.1.3. Revocation

The revocation of the appointment of the proxy-holder and its notification to the Company may be made using the same means indicated for proxies.

1.2. Voting by remote means

Shareholders may use the following means to vote remotely: (i) electronic and (ii) delivery or postal correspondence:

1.2.1. Electronic means

Shareholders wishing to vote electronically must be in possession of an electronic national identity card or of an electronic user certificate issued by the Spanish Royal Mint (FNMT-RCM), in accordance with Electronic Signature Act 59/2003, in its capacity as a Certificate Services Provider.

The user certificate will be obtained by the shareholder, at no cost to the Company, and must be in force when the vote is cast.

Shareholders who have an electronic national identity card or user certificate evidencing their identity may, through the electronic voting service provided for such purpose on the Company's website (www.ree.es), cast their vote by completing the "vote form" according to the instructions indicated on such form, as well as any others that may be specified on each of the relevant screens of the computer application, and must effect the electronic signature by using their electronic national identity card or user certificate.

To be effective and valid, votes cast electronically must be cast after **zero hours (00:00) on 6 March 2019** and must be received by the Company **before twenty-four hours (24:00) on the day immediately preceding the day on which the Shareholders' General Meeting is scheduled to be held on first call**, that is, **before twenty-four hours (24:00) on 20 March 2019**. Votes received outside this period will be deemed not cast.

As with the electronic proxy and for the same purpose, the Company will implement an electronic date system to evidence the time of receipt of the electronic vote, as well, as the case may be, of the acceptance or rejection of such vote.

Votes cast electronically that meet the conditions established in this procedure and are received by the Company within the time period established for such purpose will only be deemed valid once the shareholder status of the voter is verified.

1.2.2. Delivery or postal correspondence.

To cast a remote vote by delivery or postal correspondence, shareholders must complete and sign the "voting by remote means" section of the attendance, proxy and vote card issued on paper, either by the relevant depositaries, or by the Company through the mechanism established for such purpose on its website (www.ree.es) in the section on proxies, voting and information by remote means.

The duly completed and signed card must be delivered or sent to the Company, either to its registered office– Paseo del Conde de los Gaitanes, 177, 28109 Alcobendas, Madrid– or through the shareholder information service.

To be effective and valid, votes cast by postal correspondence must be received by the Company **up to the time scheduled for the start of the Shareholders' General Meeting, on first or second call, as the case may be**. Votes received outside this period will be deemed not cast.

1.2.3. Revocation

Remote voting carried out by electronic means or by delivery or postal correspondence shall be revocable by the same means.

1.3. Issuance of duplicates of the attendance, proxy and voting card

Shareholders who do not have the appropriate attendance, proxy and voting card on paper, either to be able to physically attend the Shareholders' Annual General Meeting or to be able to grant a proxy or vote by postal correspondence, may obtain a duplicate

of the card through the section provided for such purpose on the Company's website (www.ree.es) in the section on proxies, voting and information by remote means.

In order to guarantee the security of the system used and the identity of the shareholder wishing to use this option, the issuance of duplicate cards will require the shareholder to have an electronic national identity card or the relevant user certificate issued by the Spanish Royal Mint (FNMT-RCM), subject to the same conditions established in this procedure for electronic proxies and voting.

2. REQUEST FOR INFORMATION BY ELECTRONIC MEANS

Notwithstanding the usual communication and information channels that the Company makes available to its shareholders, through ordinary e-mail and the shareholder information service, shareholders may exercise their right to information by electronic means through mechanism specially established by the Company on its website (www.ree.es) in the section on proxies, voting and information by remote means relating to the Shareholders' Annual General Meeting.

Shareholders wishing to use this procedure must have an electronic national identity card or the relevant user certificate issued by the above-referred Spanish Royal Mint (FNMT-RCM) for the same purposes of guaranteeing authenticity and identification of each shareholder.

The Company may attend to the request for information by replying to the e-mail address designated by the requesting shareholder or by delivering or sending the response by mail to the address indicated by the shareholder.

3. AVAILABILITY OF SERVICE

The Company reserves the right to modify, suspend, cancel or restrict this procedure for proxies, voting and information requests by remote means where technical or security reasons prevent it from guaranteeing the safeguards indicated in the procedure and such circumstance is made public in the proper manner and sufficiently in advance by any means the Company may consider appropriate.

The Company will not be liable for any damage caused to shareholders as a result of malfunctions, overloads, line failures, failed connections or any other contingency of the same or a similar nature, beyond the control of the Company, which hinder the use of the procedure for proxies, voting and information requests by remote means.

4. PROTECTION OF PERSONAL DATA

Any personal data provided will be processed by Red Eléctrica Corporación, S.A., with NIF: A-78003662 and registered office at Paseo Conde de los Gaitanes no. 177, La Moraleja, 28109 Alcobendas (Madrid) and used for the following purposes:

- To carry out statistical studies on the composition of Red Eléctrica Corporación, S.A.'s shareholder base, in accordance with the company's legitimate interest.
